MISCELLANEOUS DEPARTMENTS.

GOVERNMENT OF MYSORE ELECTRICAL DEPARTMENT

Notification dated March 1925.

plications are invited from persons and Engineering firms for licenses to execute l works which will be received at the Office of the Superintendent, Bangalore Power hting, Bangalore, till 4 P.M. of the 31st March 1925.

enses will be granted under the following conditions:—

(1) Every applicant must have minimum technical qualifications equivalent to the lower grade certificate in Electrical Engineering as is granted by the Mysore Government School of Engineering, or must agree to employ, as Foreman, a man with this minimum qualification.

(2) In the case of an applicant, who has no school diploma but possess only practical experience of not less than 3 years, he will be required to pass an examination held by the representatives of the Electrical Department and the Association of Licensed Electrical Contractors.

This examination will be held within the end of April of every year and the exact date of the examination will be duly notified to the applicant.

(3) An entrance fee of Rs. 5 must accompany every new application for license under Clause 2.

(4) The names of the successful applicants will be notified by the 15th of May 1925.

(5) Every successful candidate is required to provide himself by the end of June of every year, with a permanent and registered place of business and hold a stock of wiring materials, exclusive of lamps and fans, sufficient to execute installations up to a total of 200 points. After the department is satisfied with the above conditions, a license will be issued.

(6) Place of business and stock must be open to inspection by the representatives of the Electrical Department at any time.

(7) Every license holder must agree, to give a list of employees they have and changes made therein, and submit *bona fide* proof thereof.

(8) Every license holder must agree, in writing, to observe all rules and regulations of the Electrical Department and any infringement shall entail cancellation of his license.
